Civil Action No. 13-cv-5916 KAW

**REQUEST TO CONTINUE CASE
MANAGEMENT CONFERENCE AND
~~PROPOSED~~ ORDER**

Mag. Judge: Hon. Kandis A. Westmore

Plaintiff AliphCom (“Jawbone” or “Plaintiff”) submits this request to continue the Case Management Conference. Jawbone filed its Complaint on December 20, 2013, and filed its First Amended Complaint on April 14, 2014. After receiving no substantive reply to Jawbone’s proposed alternative service arrangements from counsel in the U.S. who contacted Jawbone on Defendant Beijing Dunhuang Huguang Information Technology Co. Ltd.’s (“DHGate”) behalf, Jawbone resumed its efforts to formally serve DHGate under the process outlined in the Hague Convention. That process is underway.

A Case Management Conference is scheduled before the Court on January 20, 2015. Jawbone has been advised by the agent handling service of DHGate that the process may not be completed for several months. In light of Jawbone’s pending service of DHGate, a foreign

1 company located in China, Jawbone respectfully requests that the Court continue the Case
2 Management Conference for sixteen (16) weeks, or until May 12, 2015, at 1:30 p.m., to allow
3 Jawbone to complete service under the Hague Convention. The requested extension will not affect
4 the Court's case management schedule.

5 Respectfully submitted,
